

## BUSINESS REGISTRATION (OSS)

If you're considering business or trading activities in Indonesia, it's essential to establish your legal entity and obtain the requisite licenses. This involves securing general business licenses and specific permits tailored to your industry. For instance, manufacturing firms must acquire an industrial business license, while construction companies need a construction business permit.

Information	Description
<b>Processing Time</b>	Up to 14 business days.
<b>With this business registration you CAN</b>	<ul style="list-style-type: none"><li>☑ Register your business officially, access various government services, and apply for other necessary permits.</li><li>☑ Legally run your business within the specified sector.</li><li>☑ Conduct specific commercial operations and activities detailed in the license</li></ul>
